ICONIC & SWISS MADE EVER SINCE 

Iconic & Swiss Made ever since

Rodania 1930 emphasises Swiss knowhow and quality. We stand for strong basics and authenticity, but with that twist. Fond of the luxury feel, but love for a hint of casual. Ambitious and classy, yet remaining agile.

Rodania 1930 flourishes from the heritage and iconic background it has been building for years, evolving towards a new future of creating contemporary and timeless pieces.
